

JASPER COURIER.

W. S. H. PARVIN, Advertising and Collecting Agent, No. 80 West Fourth St., in our agent in Cincinnati.

Job Printing. We are prepared to give prompt attention to all kinds of Job or Book printing.

To Contributors. As our design is to make our paper one that will be of interest to all engaged in the different departments of active industry in every part of the county, we respectfully solicit the cooperation of our intelligent citizens throughout its limits.

Grants Notices. We publish notices of marriages, deaths, &c., gratis, and would like to record all which occur in the county.

The following is an extract from a private letter received by one of the publishers of the Courier, and which we take the liberty to publish, in hopes that some of the ignorant, suspicious citizens of Dubois, who seem to think the subscription price of a paper might break them up, will take the advice of one who is experienced and who fully appreciates the necessity and advantage of each county supporting well its own paper.

I am glad to hear that your making the Courier go off well. I hope the Democracy of old Dubois will do their duty and make a pry.

To Candidates. Now that the time for holding the Democratic County Convention is approaching, the different candidates who intend submitting their claims to that body should lose no time in bringing themselves before the people, so that their respective claims may be fairly canvassed before the different township meetings.

Mr. Vanwinkle, the father of the young woman who was so brutally outraged by two sons of Andrew B. Spradley, Robert Marshall and J. H. Robinson, near Taylorsville, Warrick county, some time last March, was in town last Monday, and has entered a suit for slander against A. B. Spradley, Sr., on account of a publication made by him in the Warrick Democrat, in regard to the character of Miss Vanwinkle.

A contract has been made by Edmund Rice for the construction of 50 miles of the Minnesota and Pacific railroad, and 150 hands have been set at work.

Common Down. Mr. Henry B. Anthony, editor of the Providence Journal, has been elected United States Senator for 6 years from 4th of March next.

A TRUTH.—If a few of the vacant lots in our city were supplied with small, neat cottages, residences, suitable for renting, they would pay their owners a good deal better than now, besides being a great benefit to the city.

Blackwood's Magazine AND THE BRITISH QUARTERLY REVIEWS.

GREAT INDUCEMENTS TO SUBSCRIBE! COST REDUCED 50 to 75 per Cent!

- L. Scott & Co., New York, continue to publish the following leading British Periodicals, viz:—
1. The London Quarterly [Conservative.]
2. The Edinburgh Review [Whig.]
3. The North British Review [Free Church.]
4. The Westminster Review [Liberal.]

These periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but possess only one feature of their character. As organs of the most profound opinions on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unparalleled in the world of letters, being unapproached in point of the scholar and the professional man, while in the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

Early Copies. The receipt of advance orders from the British publishers gives additional value to these Reviews, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

TERMS. (Retail Prices.)

- For any one of the four Reviews, \$3 00
For any two of the four Reviews, 5 00
For any three of the four Reviews, 7 00
For all four of the Reviews, 9 00

For Blackwood and the four Reviews, 10 00
Payments to be made in full, unless in advance. Money current in the State where issued will be received at par.

Postage. The postage to any part of the United States will be out TWENTY FIVE CENTS a year for Blackwood, and but fourteen cents a year for each of the Reviews.

At the above prices the periodicals will be furnished for 1856.

Special Offer for 1857 and 1858 together.

Unlike the more ephemeral Magazines of the day, these Periodicals have little by age, hence a full year of the Nos. (with no additions) for 1857, may be regarded nearly as valuable as for 1858. We propose to furnish the two years at the following extremely low rates, viz:—

- For Blackwood's Magazine, \$4 50
For any one Review, 3 00
For any two Reviews, 5 00
For Blackwood and one Review, 7 00
For Blackwood and two Reviews, 9 00
For three Reviews, 8 00
For Blackwood and three Reviews, 12 00
For the four Reviews, 11 00
For Blackwood and the four Reviews, 14 00

To avoid fractions, \$3 may be remitted for Blackwood, for which we will forward first work for both years (1857 & 1858).

N. B.—The price in Great Britain of the five Periodicals above named is about 25s per annum.

As we shall never again be likely to offer such inducements as those here presented, NOW IS THE TIME TO SUBSCRIBE.

Remittances must, in all cases, be made direct to the Publishers, for whom no commission can be allowed to agents. Address, LEONARD SCOTT & Co., March 19, No. 24 Gold Street, N. York.

JENKINS & CO., WHOLESALE DEALERS IN TEAS ONLY, PHILADELPHIA.

The new crop of Tea is now arriving, and selling much below the high price of the past year; the present purchase opens with the pleasing prospect of our goods being sold to us at a great advantage for the price, as formerly. We are therefore in a situation that we have concluded to extend the time on small bills, heretofore sold on ten and thirty months, to three and four months credit.

Thousands of Grocers and general Storekeepers now sell Teas in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against Teas put up in the convenient form. The unexplained success of the legitimate result of a business formerly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "GREAT PROFITS AND QUICK RETURNS."

Teas being a perishable article, Dealers are recommended to order small and frequent bills.

Those who still prefer the old way, or furnished with Teas in the original half chests, at three cents per lb. less than in Metallic Packages.

G. D. Harland is no longer in our employ as Traveling Agent—his place being supplied by another. JENKINS & CO.

Justice's Office. A GOOD supply of Justice's Blanks and Courts of Law and for the use of the COURTS OF LAW.
